🎄 GAME MASTER INSTRUCTIONS

Dear game master,

With this escape game, you will turn your living room into an exciting Christmas Eve adventure! The children will work on paper with 6 challenging puzzles. They enter the found codes into the digital To-Do Checklist app on a phone or tablet (we recommend using a PC or laptop).
This way they can check off the tasks live! If you want to disable the timer in the app, click 5 times on the PapierPuzzels logo.

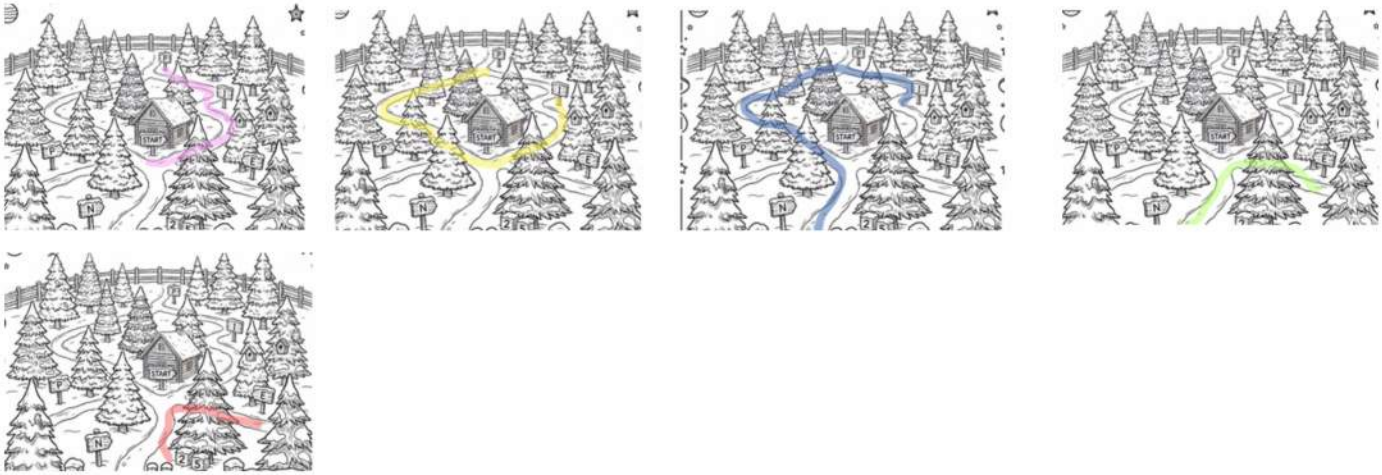

🛠️ Preparation (Ready in 5 minutes):

1. **Print:** Print this entire document once.
2. **Set up:** Place a pen, some scrap paper, and scissors for the children at the game table.
3. **Open the app:** Open the To-Do Checklist app on a phone or tablet and place it in the middle of the table.
